Blood Donation on The Founder's Day of the Sigma Theta Tau International (STTI) Honor Society of Nursing

The Founder's Day of STTI, Honor Society of Nursing is celebrated on 5th October every year. STTI's President Cathy Catrambone actively encouraged all honor society members to give 90 minutes of selfless service during the week of Founder's Day. In order to celebrate this memorable day and to support this meaningful calling, the board members of the Pi Iota Chapter (PIC) will get together on the Founder's Day to give blood at the blood donor centre in the Integrative Health Clinic of the Hong Kong Polytechnic University. We encourage all members could either join us on the Founder's day or go to any blood donor centers between 3rd and 7th October, 2016 to give blood.
